## DESCRIPTION

2026 Harley-Davidson® Nightster® Special Introducing the New Classic Don't let the 483 lb. frame fool you. The 2026 Nightster Special is tuned to rip with a high-revving liquid-cooled 975T Revolution Max® motor, ABS, and full SHOWA suspension. Traction control, a blacked-out powertrain, and modern precision meet throwback attitude to redefine what a classic can be when it's built for now. Features may include: Vintage-Inspired Styling A flat tank-to-fender line and peanut-shaped air cover pull from classic Sportster® DNA, topped with a '70s-inspired tank graphic. West Coast Mini-Fairing + LED Lighting Born from West Coast club style, the headlight mini-fairing adds wind-cutting function to the Nightster® Special's aggressive, "tough guy" silhouette, while full LED lighting keeps that stance lit and visible long after the sun's d...
